

Carrousel-2

The HC-2 is compact serviceability in its purest form.

The two-tone 70 litre waste containers can be used with or without liners and are mounted on the unique and handy carousel undercarriage. The buckets can be used as feeding buckets to hold mare or foal feed, or as waste or storage bins. In short, 101 uses.

Model	Waste bucket	Liners	Castors	Size
HC-2	2x 70 L	70L	4x 75 mm	540 x 480 x 870 mm

Carrousel-3

The HC-3 is a multifunctional grooming cart offering a diversity of options. The HC-3 can do it all. The 70 litre waste container can be used with or without a liner. The individually coloured carryalls let you store all your grooming tools so they can always be within your reach. A time-saving and very useful combination.

Model	Waste bucket	Liners	Small bin	Large bin	Castors	Size
HC-3	70 L	70L	4 L	10 L	4x 75 mm	540 x 480 x 870 mm

Carrousel-4

This colour-coded mobile grooming kit will help you keep a tight rein on all your grooming chores.

The two large and two small double carryalls can also function as buckets. Everything is within reach and easily removable. There is no other system as simple and as multifaceted as the Carrousel.

Model	Small bin	Large bin	Castors	Size
HC-4	4 L	10 L	4x 75 mm	540 x 480 x 870 mm
